

# Adegboye Ayotomide

Software engineer || Full-Stack developer

Experienced Full Stack Developer with 4+ years of hands-on expertise in building scalable web applications using the MERN stack. Strong proficiency in modern frameworks such as Next.js and Tailwind CSS, backed by solid experience with Python, Django, and AWS. Adept at designing and implementing robust, user-friendly solutions, with a proven ability to work across the full development lifecycle—from concept to deployment. Passionate about writing clean, maintainable code and continuously exploring new technologies to deliver high-quality software.
